

A new song

St Mary's Choir welcomes children to sing

ST MARY'S
ATTLEBOROUGH

Finding a voice for life

and celebrating the joy of music

Benefiting from free musical tuition

learning to read music, sing well and perform regularly

Making new friends

and sharing in the pride of achievement

Striving for excellence

and growing in a secure and supportive environment

Having fun in the present

and developing key skills for the future

If your son or daughter is aged 6 or over,
and these opportunities – at no charge –
inspire you,

we'd love to talk to you

about your child singing in St Mary's Choir

*The children practise together on Fridays from 6.30pm,
and usually sing twice a month on Sunday mornings*

All staff are DBS checked
